Hail to the Kindreds!

Contained with this mailing is the AlThings 31 packet and the 2261 Annual Fees Assessment form for Kindred membership within the Asatru Alliance. By executive action of the AlThing 23, the dues assessment per Kindred has been lowered to \$50 per year payable upon receipt of this letter. This fee allows you to support the general fund of the Asatru Alliance which is used to pay operating fees of the corporation. By vote of the AlThing 23, any full Kindred of the Alliance which did not pay the kindred assessment last year now owes for last year and this year as well. If the assessment for your Kindred was not paid last year, I will indicate it with a check mark. Further, any Kindreds which are delinquent in their assessment when the AlThing convenes, will lose their vote at the AlThing until their assessment fees are paid.

Please make copies of the AlThing packet and distribute to your Kindred. If you are unable to do so, please contact me and I'll send you as many packets as you require.

For any of you who do not currently subscribe to VorTru magazine, I am enclosing an order form to help facilitate your subscription.

Respectively submitted,

Valgard Murray

Treasurer/Asatru Alliance Inc.
